FOREWORD

We are using as the theme for THE HIGHLANDER "These Are the People". In carrying out this theme we have tried to present the people who make up the Highland County Public Schools. It is impossible for us to show all of the parents and the citizens who are interested in the future of the children of our county. However, in our dedication we have given recognition to the clubs and organizations that have contributed much to the welfare of individual students and to the progress of our schools.

As in other years the annual gives special emphasis to the Senior Class who feel that this is their issue. The members of the staff hope that you will like the 1963 issue of THE HIGHLANDER.

DEDICATION

We, the Senior Class of 1963, dedicate the 1963 HIGHLANDER to the civic organizations of Highland County. It is our desire to extend appreciation to you for the many contributions that you have made to improve the lives and education of the children of our county.

We will list below some of the clubs and their major projects.

The Ruritan Clubs purchased equipment for the cafeterias. The Lion's Club sponsored the Sight Conservation program. The American Legion sponsored delegates from the Junior Class to Boys' and Girls' State. The Business and Professional Women's Club provide a college scholarship. The Band Booster's Club supplied uniforms and equipment to band members. The Highland County Fire Department inspects our school buildings for fire hazards. The P.T.A.'s promote better understanding among parents, teachers, and students.
